Austin Heritage Council MLK Celebration

Monday, January 15

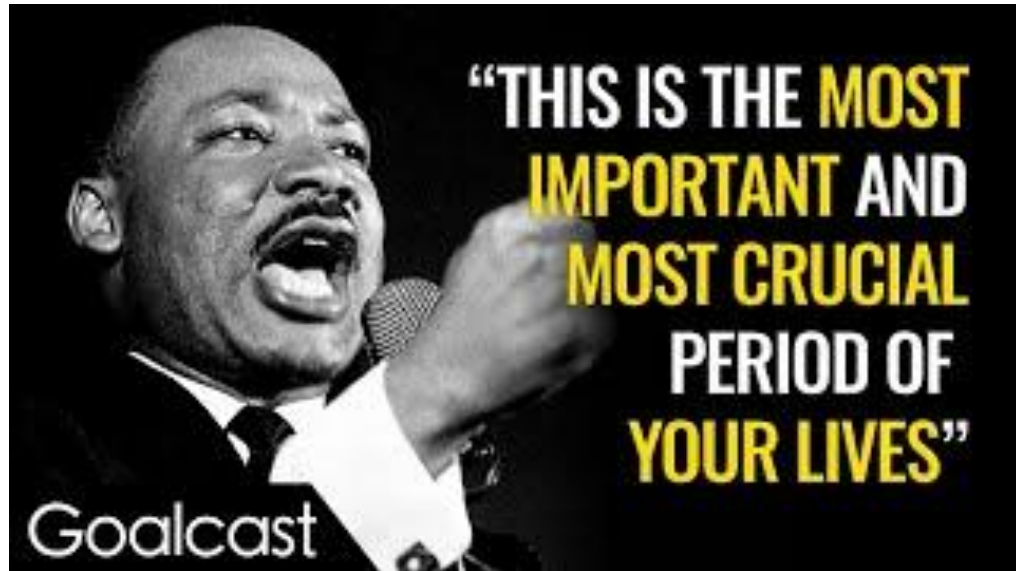

The Annual MLK Community March begins at 9am with a short program at the MLK Statue on the campus of The University of Texas, then will march to the south steps of the Capital for a rally.

Saturday, January 27

The planned MLK Community Festival will now take place January 27 on the campus of Huston-Tillotson University, due to expected cold weather January 15. A food drive for the Central Texas Food bank will also take place.

Watch this video of Dr. King encouraging others to keep moving towards better.

What is something you would like to improve in your world?

Optimistic Closure

Which MLK quote resonates with you the most today?

"Our lives begin to end the day
we become silent about things
that matter."

"Every man must decide whether he
will walk in the light of creative
altruism or the darkness of
destructive selfishness. This is the
judgment. Life's most persistent and
urgent question is, What are you
doing for others? "

"I have a dream that one day this
nation will rise up and live out the
true meaning of its creed: "We
hold these truths to be
self-evident: that all men are
created equal."

"Let no man pull you so low as to
hate him."

Thanks!

Stay warm this weekend!
